The Honorable Rosa DeLauro
Chair
House Appropriations Committee
H-307 The Capitol
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding to mitigate flood risks in Turner Station, Maryland in Fiscal Year 2023. The entity to receive funding for this project is the Baltimore County Government, located at 400 Washington Avenue, Towson, Maryland, 21202.

Federal funding in the amount of \$2,000,000 is requested to conduct extensive modeling of future flooding scenarios under various storm intensities and combinations of green and grey infrastructure to better understand how best to reduce flood-risk in the historic African American community of Turner Station.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

C.A. Dutch Ruppersberger
Member of Congress
